MESSAGE FROM OUR MENTOR

Ayurvedacharya

Prof. (Dr.) Hitesh Jani

Ex - Principal & HoD – Panchkarma at Gujarat
Ayurved University, Jamnagar
Provost, Gau Vishwa Vidhyapeeth, Ahmedabad

It is truly encouraging to see such a young and committed group working with clarity and purpose towards strengthening Ayurveda and the broader domain of Indian Systems of Medicine & Yoga at a national level. Your initiative reflects a strong vision of integrating tradition with modern relevance and building a unified platform for the entire AYUSH ecosystem.

The impact and success witnessed during the National Ayurveda Festival 2025 clearly demonstrated the potential of such platforms in bringing together students, practitioners, academicians, and industry leaders. It is commendable how that momentum is now being carried forward towards the National Ayush Festival 2026, with a more expansive and inclusive approach covering Ayurveda, ISM, and Yoga.

At a time when traditional Indian systems of medicine are gaining global recognition, such initiatives play a crucial role in nurturing collaboration, leadership, and innovation. Your continued focus on empowering young professionals and creating meaningful opportunities within Ayurveda and ISM & Yoga will significantly contribute to the future growth of this sector.

I appreciate the dedication and vision of the organizing team of Ayur Vaiyda Eduhealth Foundation and extend my best wishes for the grand success of the National Ayush Festival 2026. I am confident that this initiative will continue to inspire and elevate the presence of Ayurveda and Indian Systems of Medicine & Yoga at a larger scale.

May Lord Dhanwantri bless all.
Best wishes
